

Thornton Steward Sailing Club

Welcome (back) to TSSC!

Please find your membership form and duty roster form.

You might know that there have been some changes to data protection regulations (GDPR) which come into force in May this year. Because of this, we have had to make some changes to our documentation and procedures.

We have a new Privacy Policy in place; you can view this on our website www.thornton-steward-sailingclub.co.uk.

Your membership form has an important change. We now have to ask you to “opt in” to having your name, town of residence, phone no. & e-mail address published on our Members Directory List, which is sent out to all Members (but ONLY to Members) and which is on the “Members Only” section of our website.

The committee urges you to tick the consent box. If you do not, members will not be able to contact each other. It is obviously nice to have contact details purely for social reasons, but it is also very useful in the event of loss or damage to property.

Thank you for taking the time to read this notice.

The Management Committee.
