

Personal Information Policy

Thornton Steward Sailing Club holds information as supplied by its members, and trainees of RYA courses, in the form of paper and computerized records. The full data is kept by nominated members of the committee and will only be used in connection with the business of TSSC.

A membership list with minimal contact information is published from time to time in the club's newsletter, and on the members only section of the club website.

Any medical information supplied will only be disclosed to appointed personnel when deemed necessary for health and safety reasons.
